Hi [REDACTED]

I've just spoken with Peter, and yes, Danielle Anderson should attend. Linfa won't be able to make it, but Danielle will stand in for him as she did in Beijing.

Thanks for checking!

Hi Peter,

I am following up on my previous email regarding PMAC invitations. Would you be able to advise whether Dr. Danielle Anderson should be invited to the GVP side-meeting at your earliest convenience?

Thank you,

Dear [REDACTED]

Would it be possible for you to let me know in the next couple days as I would need to confirm a flight (I have a meeting in Singapore on the 30th that I need to be back for).

Thanks,

Danielle

Hi Peter,

I have a question about GVP invitations - Linfa Wang is unable to attend and recommended Danielle Anderson to attend as a substitute (below). Do you think this substitution is appropriate and necessary?

>> Will it be ok for Dr. Danielle Anderson (cc'ed in this email) to attend the GVP meeting on my behalf? She attended the Beijing meeting last year as well and is on top of all the discussion for the Platform Working Group.

Thank you,

Dear Danielle,

Thank you very much for your message. I am waiting confirmation from the GVP core team and will get back to you as soon as possible.

Best wishes,

Dear REDACTED

Linfa is unable to attend the GVP meeting in Bangkok, but I am able to attend on his behalf. I attended the Beijing meeting last year.

If this is OK, I would be flying in from Singapore.

Regards,
Danielle

Hi Dani,

See the invitation.

Unfortunately, I may have to make a trip to Wuhan during that time. Would you be able to go on my behalf if they are ok with this?

Thanks

Dear Dr. LinFa Wang,

On behalf of the Global Virome Project (GVP) core group, I am delighted to send an invitation letter for the GVP side-meeting in Thailand next year. Please see the letter attached to this email. We look forward to hearing from you.

Happy holidays,
